### Basic Info Sheet

- Mooipan is located in the Steenbokpan area of Limpopo, South Africa and is just over a 3-hour drive from Pretoria close to the Botswana border in a Malaria free area.
- The farm is located on 1700 hectares of pristine bush and has no cattle or internal cattle fences. There are also multiple water points on farm and layout allows for multiple hunters to be in bush at same time.
- Mooipan has 15 species to hunt but many more species to view including Aardwolf, Brown Hyena, Civet, Caracal, Aardvark, Porcupine, Banded Mongoose and the occasional large predator like Leopard.
- There are two high end lodges on farm which can accommodate up to 20 people, the two lodges are around 900m apart. Smaller lodge takes 6 guests and the other lodge can take 12-14 people. There is also a camp site available that has water but no electricity.
- Mooipan does have a runway. More info available on request.
- Fees are based on a minimum of 4 hunters. If groups are smaller rates will be adjusted.
- Farm can be accessed with normal vehicles but driving on farm we suggest a 4x4 due to soft sand.
